Hannah's Hill Vineyard

May-June 2016

Jim and Ann Gardner - Owners & Winemakers

Hannah's Hill is a small family business - everything we make is hand crafted. We are proudly local. That means if you live in Arizona you can enjoy wine made within a day's drive of your home. It also means we support other local small businesses. Equally important, we value and practice sustainability by managing our vineyard and winery to minimize our impact on the environment. Come visit us in Elgin!

Don't have time for a road trip? Visit us in cyberspace at [www.HannahsHill.com](http://www.HannahsHill.com) and [www.facebook.com/HannahsHillVineyard](http://www.facebook.com/HannahsHillVineyard)

Hannah's Hill Vineyard also produces some wines under a separate label NOG\* NOG stands for Not Our Grapes - these grapes come from our sister vineyard Solano Vineyards near Paso Robles, California. Grapes are brought to Elgin from California and are sorted, crushed, pressed and aged at our vineyard.

## Viognier

2013

With apricot and peach aroma. Stone fruit, honey, well-balanced acidity and a subtle oak finish.

glass - 8  
bottle - 34

## Petite Sirah

2012

With a deep reddish purple color this full bodied wine has a nose that contains hints of fruit buried under oak. Black cherry, dark but not overripe fruit with an abundance of tannins rounds out this wine

glass - 8  
bottle - 34

## Sandstone

2014 - ESTATE

A blend of our first Riesling harvest and Roussanne this wine showcases green apple notes with a hint of pear

glass - 9  
bottle - 36
